GREETINGS AND SALUTATIONS FOR 1939

We take great pleasure in presenting our 1939 descriptive catalog of high class dahlias as grown in our gardens. Realizing that to list an enormous number of dahlias is confusing and can serve no good purpose, we have listed only those of superior merit.

We desire to thank our many customers for their liberal patronage during the past seasons and for the many kind letters telling of their success they had with our dahlias, both in the gardens and show room. We ceaselessly endeavor to maintain a reputation for fairness, integrity and trustworthiness to do a clean business, satisfactory to our customers. Our business comes from those who send us their orders year after year. They know they can depend on us for good stock and a square deal.
